## Eastern Minor Junior Hockey League (EMJHL) 2004 - 2005 Playoffs

The Directors and Participating Hockey Clubs of the EMJHL welcome the players and supporters to our fifth League playoff tournament.

Formed in 2000, the focus of the League was, and continues to be, the organization and promotion of the growth of AAA Midget Hockey with the focus on training and advanced competition in order to help develop talented players for the Junior and Collegiate levels.

After each season, the Participating Members review this objective and develop a plan for the following season to improve the League and its operations. The annual League meeting is usually held in the April timeframe. The directors of each hockey club would welcome any suggestions from the players and parents, so please provide any suggestions to your team's coach so that it can be presented at the League meeting.

Sincerely -  
Directors and Participating  
Hockey Clubs of the EMJHL
